

# The 4th International Conference on Dosimetry and its Applications (ICDA-4)

16-20 October 2023. Valencia, Spain

The 4th International Conference on Dosimetry and its Applications (ICDA-4) will take place in Valencia, at the Polytechnic City of Innovation of the Universitat Politècnica de València on 16-20 October 2023. Several institutions and international organizations will be co-sponsoring ICDA-4. Besides the Conference sessions, tutorial and refresher courses will be organized. We feel confident that you will enjoy ICDA-4, which will be also a wonderful opportunity to meet old friends and make new ones, and that the conference will be a memorable event.
